Ginithan Named Director of Radiology and Womancare

Cape Girardeau, Missouri - Saint Francis Healthcare System is pleased to introduce Ginny W. Ginithan as Director of Radiology and Womancare.

In her new role, Ginithan will serve as a member of the Saint Francis Leadership team and will be responsible for planning, coordinating and supervising all functions within Radiology and Women's Health Services to ensure patients receive care in accordance with Saint Francis policies, procedures and objectives. She will also perform a wide variety of regulatory, fiscal and administrative duties and oversee Radiology and Women's Health Services staff.

She comes to Saint Francis from Northwest Texas Healthcare System, where she has been Director, Diagnostic Imaging and Cardiology Services since 2012. She has previously served as Director of Imaging Services and Interim Director of Cardiac Services at Lourdes Hospital in Paducah, Kentucky.

Ginithan earned her Master's Degree in Organizational Management with an emphasis in business law and her Bachelor of Science Degree in Occupational Education with emphasis in management at Wayland Baptist University in Plainview, Texas. She also holds a Radiology Technology Certification of Registry.

Saint Francis Healthcare System is guided by our mission to provide a ministry of healing, wellness, quality and love inspired by our faith in Jesus Christ. Founded by Franciscan Sisters in 1875, our priority remains the same: serve all who enter with dignity, compassion and joy. Serving nearly 713,000 people across Missouri, Illinois, Kentucky, Tennessee and Arkansas, our focus is on patients' outcomes, experience and value.

Anchored by Saint Francis Medical Center, a 308-bed tertiary hospital, and supported by nearly 2,800 employees and more than 250 providers in 11 communities, the Healthcare System is a driving economic force in the region. Major services include Cancer Institute, Emergency and Level III Trauma Center, Family BirthPlace and the region's first Level III Neonatal Intensive Care Unit, Heart Hospital, Neurosciences and Orthopedics.
