## New Interchange Coming to Sikeston at Mile Marker 66

MAY 24TH 2018 BY DEE LOFLIN

### New Interchange Coming to Sikeston at Mile Marker 66

Improvements to the Interstate 55/57/U.S. 60 cloverleaf interchange in Sikeston, Mo. will begin Monday, June 4, weather permitting. The interchange is located at mile marker 66. As work is underway, motorists should anticipate various lane and ramp closures.

The ramp from northbound I-55 onto westbound 60 will be closed, with a signed detour available. The ramp is expected to reopen Friday, Aug. 17, weather permitting.

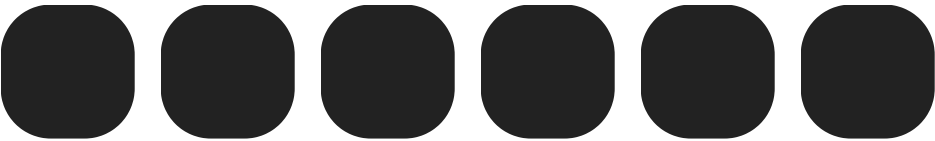

The ramp from northbound I-57/eastbound 60 to northbound I-55 will also be closed, with a signed detour available. The ramp is expected to reopen Monday, Oct. 1, weather permitting.

Lane closures will also be in place. Northbound I-55 will be reduced to one lane with a 10-foot width restriction from mile marker 64 to mile marker 67. In addition, westbound U.S. 60/southbound I-57 and eastbound U.S. 60/northbound I-57 will be reduced to one lane with a 14-foot width restriction below the overpass. Completion is anticipated by Monday, Oct. 1, weather permitting.

# No Work Planned Over Memorial Day Weekend - Watch for Summer Work Zones

MAY 24TH 2018 BY DEE LOFLIN

[No Work Planned Over Memorial Day Weekend - Watch for Summer Work Zones](#)

## Watch out for summer work zones

### No work planned over Memorial Day weekend

MoDOT will suspend work zone operations during the Memorial Day holiday weekend.

Most routine work zones will stop at noon Friday, May 25 and will resume at 9 a.m. Tuesday, May 29. While most work zones will not be active over the Memorial Day weekend, it may be necessary for some lane closures to remain in place.

In an effort to keep motorists informed, MoDOT has developed a list of significant work zones across the state. Many of the work zones may cause congestion and traffic delays especially during the peak travel times of daily rush hours and weekends including Friday evenings and Sunday afternoons.

Distracted driving and following too closely are two of the main causes of work zone crashes. Drivers are reminded to plan ahead, pay attention to warning signs, wear seat belts, put their phone down, obey the speed limit and don't drink and drive.

Over the 2017 Memorial Day holiday weekend, nine people died and 496 were injured in 1,122 traffic crashes.

Information on all MoDOT work zones statewide is available on the department's Traveler Information Map located at [www.modot.org](http://www.modot.org). The map is available as a free app for iPhone and Android phones. The map displays current traffic speed conditions and live camera views. Motorists can also call MoDOT's 24/7 customer service toll free at 1-888-ASK-MoDOT (275-6636).
