Bootheel Recycling Price Sheet - June 27, 2018

Dexter, Missouri - "Bootheel Recycling is a Missouri scrap metal recycling company whose customer base includes regional utility companies, large manufacturing businesses, tool and die shops, local Dexter scrap dealers, haulers, farmers and individuals across Southeast Missouri and Arkansas."

"We comply vigilantly with the laws set forth by OSHA, EPA, federal and Missouri. Our scrap metal recycling policies are honest and transparent. Our scales are certified yearly and calibrated twice a year. We belong to the Chamber of Commerce and the Institute of Scrap Recycling Industries. We are OSHA 10 certified. We have the highest graded material in the industry."

"We buy most forms of ferrous and non-ferrous metals, including copper, aluminum, stainless steel, brass, scrap iron, radiators and catalytic converters. Please consult our Scrap Metal Selling Guide to find out more about how to sell scrap metal, and how to get the most money for your scrap metal. The best indication of our success is our loyal customer base. We are nice people with good business practices. We have a very high level of return business, and our new customers often come to us by way of referral."

"Our friendly customer service staff will ensure that your recycling experience is simple and hassle-free. Our modern and streamlined processing system allows us to offer competitive prices. Please contact us today if you would like to inquire about our services."

Motorists Reminded to Buckle Up and Arrive Alive](#)**

Dexter, Missouri - The Dexter Police Department participated in the national Click It or Ticket mobilization conducted May 21 – June 3. During the enforcement effort, officers issued a total of 102 traffic tickets; including 64 seat belt tickets and 1 child restraint violation.

“Seat belts are your single best defense in a crash,” stated Chief Trevor Pulley. “Law enforcement will continue to encourage drivers to make a simple, smart choice to buckle up and Arrive Alive.”

Six out of 10 people killed in 2017 Missouri traffic crashes were unbuckled. Missouri’s seat belt use has shown only modest improvement over the last six years. Missouri has an 84 percent seat belt use, which is well below the national average of 90 percent. Teens and pick-up truck drivers are among those least likely to buckle up at 70 and 69 percent.

Buckle up and Arrive Alive. For more information on Missouri’s seat belt use, visit www.saveMOlives.com.
