Foundation Golf Tournament Rescheduled

With the unwelcome arrival of Tropical Storm Gordon, the weather for our golf tournament this Friday won't be up to par!

The event has been rescheduled for Monday, October 8th. Tee times will remain the same.

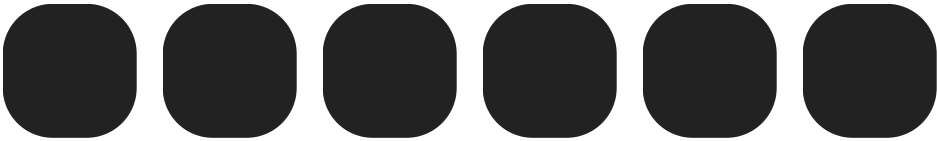

When making the decision, several factors were considered, including storm tracking, out of town travel and course conditions. We understand this may be an inconvenience. However the safety and fun for all participants is our top priority.

Please contact us if you are unable to attend on October 8th or have changes to your players at djirkovsky@sehealth.org or 573-519-4922.
