Drew Satterfield, DO, Joins Southeast Primary Care, Southeast Family Medicine

Drew Satterfield, DO, Family Medicine, has joined medical specialists at Southeast Primary Care in Cape Girardeau and Southeast Family Medicine in Dexter.

Dr. Satterfield completed his medical training at Kansas City University of Medicine and Biosciences in Kansas City, MO. He completed his residency at the University of Missouri Department of Family and Community Medicine in Columbia.

Dr. Satterfield sees patients at Southeast Primary Care in Cape Girardeau on Monday, Tuesday and Friday, and also sees patients at Southeast Family Medicine in Dexter on Wednesday and Thursday.

A Dexter native, Dr. Satterfield says he is “excited to return home. Growing up around rural primary physicians and seeing the breadth of medicine they practice is what inspired me to do the same. I made the decision to come back to southeast Missouri to practice so that I could care for the community and people that helped shape me. “
