- Make sure children can see well through face masks, or use cosmetics to create fun or scary faces.
- Adults should accompany young children.
- Go out in daylight and carry a flashlight after dark.

- Trick or Treat in your neighborhood or visit homes you know, and participate in the trunk or treat
- Watch for traffic.
- Only give and accept wrapped or packaged candy.
- Examine all candy before allowing children to eat it.
- Keep costumed children away from pets. The pets may not recognize the child and become frightened.

Missouri Law Requires Children under Eight to Be Buckled Up

Dexter, Missouri - Missouri law requires all children under the age of eight to be in an appropriate child safety seat or booster seat unless they are 80 lbs or 4'9" tall.

Dexter Police announced today they are joining with law enforcement September 23-29 for the annual Child Passenger Safety Week Law Enforcement Campaign to crack down

on Missouri’s child safety seat law violators and to reduce highway fatalities and injuries to children.

Car crashes are the number one killer of kids. Booster seat use reduces the risk of serious injury by 45 percent for children aged 4-8 years when compared with seat belt use alone. Is your child safe?

Chief Trevor Pulley said regular child safety seat and safety belt use is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

Dexter Police Department Arrested 1 Drunk Driver During Drive Sober or Get Pulled Over Campaign

Dexter Police partnered with the U.S. Department of Transportation's National Highway Traffic Safety Administration (NHTSA) for the national Drive Sober or Get Pulled Over Labor Day weekend drunk-driving enforcement campaign. From August 17-September 3, local law enforcement showed zero tolerance for impaired driving, conducting 40 traffic stops resulting in the arrest of 1 offender for driving while intoxicated and issuing 3 speeding citations, 11 seatbelt citations, 3 driving while suspended or revoked citations along with 42 warnings for other various traffic violations.

"Drunk driving is a problem on our community's roads, and the Drive Sober or Get Pulled Over campaign gives our enforcement an opportunity to help spread the message that this behavior is deadly and illegal," said Chief Pulley.

Over the 2016 Labor Day holiday period (6 p.m. September 2 - 5:59 a.m. September 6), there were 433 crash fatalities nationwide. Of the fatal crashes, more than one-third (36%) involved drivers who were drunk (.08+ blood alcohol concentration [BAC]), and one-fourth (25%) involved drivers who were driving with a BAC almost twice the legal limit (.15+ BAC). Age is a particularly risky factor: Among the drivers between the ages of 18 and 34 who were killed in crashes over the Labor Day holiday period in 2016, 47 percent of those fatalities involved drunk drivers with BACs of .08 or higher.

"It is the partygoer's responsibility to refrain from drinking and driving," said Chief Pulley. "That is why it is essential to use one of the countless tools available to ensure you get home safely. Drinking and driving is a choice; one you should never make."
