The Lunch Box Invites Children to Trick or Treat!

OCTOBER 29TH 2018 BY DEE LOFLIN

The Lunch Box Invites Children to Trick or Treat!

Come and join The Lunch Box (formerly the Stoddard County Nutrition Center) on Wednesday, October 31, 2018 for Trick or Treating from 4:30 p.m. - 6:30 p.m. Rain or Shine!!!

They are located at 21 S. Stoddard Street.

Everyone loves to watch the children come in with their costumes and join in the activities.

There will be candy, a coloring contest, a guess how many contest and kids Halloween trivia.

This is a win for everyone- the kids get candy and fun and the seniors get to remember days gone by of their childhood or taking their children out.

The Bernie Police Dept Participating in Prescription Drug Take-Back on Saturday

OCTOBER 24TH 2018 BY DEE LOFLIN

The Bernie Police Dept Participating in Prescription Drug Take-Back on Saturday

The Bernie Police Department is taking back unwanted prescription drugs October 27 at the Bernie Police Department

Bernie, Missouri - On Saturday, October 27, from 10 a.m. to 2 p.m. the Bernie Police Department and the U. S. Drug Enforcement Administration will give the public its 16th opportunity in eight years to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs. Bring your pills for disposal to the Bernie Police Dept at 206 Crumb Ave Bernie MO. (The DEA cannot accept liquids or needles or sharps, only pills or patches.) The service is free and anonymous, no questions asked.

Last spring Americans turned in nearly 475 tons (949,046 pounds) of prescription drugs at more than 5,800 sites operated by the DEA and almost 4,700 of its state and local law enforcement partners. Overall, in its 15 previous Take Back events, DEA and its partners have taken in almost 10 million pounds - nearly 5,000 tons - of pills.

This initiative addresses a vital public safety and public health issue. Medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. Rates of prescription drug abuse in the U.S. are alarmingly high, as are the number of accidental

poisonings and overdoses due to these drugs. The Substance Abuse and Mental Health Services Administration’s National Survey on Drug Use and Health shows year after year that the majority of misused and abused prescription drugs are obtained from family and friends, including someone else’s medication being stolen from the home medicine cabinet. In addition, Americans are now advised that their usual methods for disposing of unused medicines - flushing them down the toilet or throwing them in the trash—both pose potential safety and health hazards.
