Bloomfield School Board Meeting Minutes - September 2018

SEPTEMBER 24TH 2018 BY DEE LOFLIN

[Bloomfield School Board Meeting Minutes - September 2018](#)

The Bloomfield School Board met at their regular scheduled September meeting.

High School Student Body President Tyrah Hartle spoke to the board about the upcoming school carnival. The school carnival will take place on October 18, 2018 during the parent/teacher conference times. Many clubs/organizations are helping with the carnival. More information will be available later in the month.

The board approved the 2018-19 school bus routes, the Professional Development Handbook, and several policy/procedural updates. If you would like a copy of the policies/procedures that have changed, please contact me. All changes dealt with state and federal law/regulation changes.

The board discussed the remodel/addition of the HS gym lobby. I gave them a report of what was discussed at the District Strategic Planning Facilities Committee meeting and the Community Stakeholder's Committee meeting - both committees gave input on what they would like to see on the HS gym lobby remodel. I meet with the construction managers and architect on Thursday.

In executive session, the board approved three substitutes pending proper paperwork and background check - Christy Ellis, Tyler Wilkison, Fran Hendley.

Bloomfield School District Receives \$10,000 Grant

SEPTEMBER 18TH 2018 BY DEE LOFLIN

[Bloomfield School District Receives \\$10,000 Grant](#)

Bloomfield, Missouri - Bloomfield R-XIV School District was awarded a \$10,000 grant through America's Farmers Grow Rural Education program and was presented during the high school volleyball game on Monday, September 17, 2018.

This program helps farmers support their local rural public school districts. Since 2011, this Monsanto Fund program has given over \$16 million to rural schools to enhance math and science education.

Thanks to farmer nominations and an excellent application written by Sabrina Skaggs and Casey Karnes, Bloomfield schools will be able to use this grant to purchase Chromebooks to provide access for all elementary learners and teachers. Implementation of instructional technology with project based learning will transform their learning environments and will create collaborative partnerships within the classroom and within the community.

David Stone and Tim Temples from America's Farmers Grow Rural Education program were on hand to give Elementary Principal Sabrina Skaggs and Elementary Academic Coach Casey Karnes their \$10,000 grant.
