Hospitalist Alicia M. Cisne joins Saint Francis Healthcare

JANUARY 07TH 2019 BY DEE LOFLIN

Hospitalist Alicia M. Cisne joins Saint Francis Healthcare

Saint Francis Healthcare System is pleased to welcome Certified Family Nurse Practitioner Alicia M. Cisne to Saint Francis Medical Center.

Cisne received her board certification from the National Certification Corporation.

She graduated from Arkansas State University in Jonesboro, Ark. in 2012 and Maryville University in St. Louis in 2018.

Cisne is a nurse practitioner with the Hospitalists at Saint Francis.

To learn more about Alicia M. Cisne, visit sfmc.net or call 573-331-3000.

Saint Francis Medical Center is a 254-bed facility serving more than 450,000 people throughout Missouri, Illinois, Kentucky, Tennessee and Arkansas. Guided by its mission to provide a ministry of healing and wellness inspired by our Christian philosophy and values, the Medical Center has become a progressive, innovative regional tertiary care referral center doubling in size in the last five years to best accommodate the healthcare needs of those it serves. Saint Francis' major service lines, which have received a variety of national recognitions, include the Neurosciences Institute; Thomas G. Otto, MD, Orthopaedic Institute; Family BirthPlace featuring the region's first Level III Neonatal Intensive Care Unit; Heart Institute; Gene E. Huckstep Emergency Center/Level III

Trauma Center with Convenient Care; Cancer Institute; Rehabilitation Services; and Fitness Plus.
