## Holiday Bike Donation Program

JANUARY 08TH 2019 BY DEE LOFLIN

### Holiday Bike Donation Program

Poplar Bluff, Missouri - Thirty bicycles were given away to students at Eugene Field prior to the holiday through a newly forged partnership between Academy Sports + Outdoors and the Poplar Bluff Police Department.

Police officials selected the elementary school, and educators worked in a roundabout way to identify students based on need. Principal Jennifer Taylor factored in attendance and behavior in order to make the final selections.

The lucky recipients were surprised during a special assembly held Tuesday, Dec. 18, in the gymnasium featuring a musical performance by the GLEEders. Families were invited to help celebrate and transport the bikes home.

This is the second year Academy Sports included Poplar Bluff Schools in the holiday bike donation program, which dispersed over 5,500 Ozone 500 bikes and helmets across its service area, according to store manager Gene Hux. The national sporting goods chain chose Lake Road Elementary to incentivize in 2017.

Winners included: Janet Battles, Alison Bell, Savannah Bell, Jordan Boening, MacKynzie Cluck, Harmony Cornett, Natalie Daves, Olivia Doernhoefer, James Foreman, Jeanie Harget, Jamaria Johnson, Raven Johnson, Emma Lindsey, Noah Longhibler, Rayne Luellen, Brycen Lutman, Madelynn Martin, Justin May, Bryden McElhaney, Jasmine Odle, Adyn Payne, Kale Pearman, Brianna Reed, Makenzie Schrimsher, Roy Schrimsher, Ali Skinner, Damarion Sutton, Payten Thurner, Manuel Tutor and Kaylin Walker.

# Lake Road Receives Congressional Record

## Lake Road Receives Congressional Record

Poplar Bluff, MO - U.S. Rep. Jason Smith delivered a Congressional Record to Lake Road on Tuesday, Dec. 18, to commemorate the elementary school's recent National Blue Ribbon honor.

Smith informed the students, grades 1-4, that the 8th Congressional District is the largest in Missouri and there are only three current Blue Ribbon Schools within it. The Blue Ribbon award is the highest honor an educational institution can achieve.

"It does not matter where your family was born or in what zip code you were raised," said the congressman, "if you work really hard and get a good education, you can achieve anything you want to achieve."

The Salem man received a reaction from the student body when he informed them they are his bosses. During the Q&A portion of the assembly, Smith shared how he has met all of the living presidents, working in Washington, D.C.

Afterward, Blue Bell Creameries treated the school to ice cream. A tradition of the Memphis based company, Blue Bell treats all of the Blue Ribbon schools within its service area. According to branch manager David Luiken, Lake Road was the first school to receive such a visit in Missouri.
