Heavy Rains and Strong Winds Knock Out Power in Dexter Area

Dexter, Missouri - Several residents in the Dexter area experienced high winds early Wednesday evening. Heavy rain and wind caused power outages in the area as well.

AmerenMissouri reported a total of 6,600 homes and businesses without power in their coverage area. According to their recorded message most power will be restored this evening; however some may not be restored until Thursday due to trees over the powerlines.

Ozark Border Electric also reported about 1,300 without power.

Update: Only about 1,000 are without power as of 9 p.m.
