Three Rivers College Honors Nikki Lathem at Student Excellence Awards

Nikki Lathem is from Dexter, Missouri and earned her Excellence Award in Business Management.

Three Rivers College recognized more than 40 of its highest performing students at its Annual Student Excellence Awards ceremony. Winners were chosen to represent each academic department and career education program, the Three Rivers external locations, honor societies, and major student organizations.

“The Student Excellence Awards are a celebration not only of academic success but of the hard work and commitment of our student body,” said Dr. Wesley Payne, President of Three Rivers College. “The success these students have achieved is not only an indication of natural ability and talent, but also their dedication to putting in the time and doing the work that makes them the standouts of Three Rivers.”

Winners from academic and career programs are chosen by that program’s leadership based on recommendations from faculty members. The leadership of each organization selects student organization, external location, and honor society award recipients.

Three Rivers College is committed to contributing to the quality of life in Southeast Missouri with quality, affordable higher education opportunities and community services that support and encourage the economic, civic, and cultural vitality of the region.
