WHEREAS, there are nearly 6,000 manufacturing companies in Missouri and they contribute more than \$40 billion or 13.2 percent of the Total Gross State Product, creating wealth for the more than 265,000 people directly employed in manufacturing and the many more whose livelihoods are indirectly supported by manufacturing; and

WHEREAS, manufacturing jobs provide an annual compensation which is more than \$10,000 higher than the state's average wage; and

WHEREAS; manufacturing jobs enable Missouri families to realize the dreams of owning a home, educating children and enjoying a secure retirement; and

And, I commend Missouri Enterprise and the Manufacturing Extension Partnership for the valuable technical and business assistance that they provide to our small and medium sized manufacturers.

IN WITNESS WHEREOF, I HAVE HEREUNTO SET MY HAND THIS 23rd day of September, in the year two thousand and nineteen and I encourage all Missourians to show their support for our manufacturers by purchasing products made in Missouri and America.
