Hansen Joins Pain Management Center

NOVEMBER 07TH 2019 BY DEE LOFLIN

Hansen Joins Pain Management Center

Saint Francis Healthcare System is pleased to announce that Thomas Hansen, MD, has joined the Pain Management Center.

Dr. Hansen has 30 years of experience in pain management and anesthesiology with a special interest in dorsal column stimulation and headache pain. He has numerous publications on neurophysiology in pathological conditions.

He is certified by the American Board of Anesthesia with a subspecialty in pain medicine. He is also certified by the American Board of Independent Medical Examiners.

Dr. Hansen earned his medical degree from Carver College of Medicine in Iowa City, Iowa in 1987. He completed his residency at University of Iowa in Iowa City in 1992. He completed his fellowship also at University of Iowa in 1993.

He is married to his wife of 30 years, Cherri. They have three grown children. In his spare time, Dr. Hansen loves to golf, collect aviation military artifacts, hike and work on his farm.

Pain Management Center is located at 211 Saint Francis Drive in Cape Girardeau, Mo. If pain is keeping you from the life you want, talk with your doctor about a referral to the Saint Francis Pain Management Center or call 573-331-5329.

Saint Francis Healthcare System is guided by our mission to provide a ministry of healing, wellness, quality and love inspired by our faith in Jesus Christ. Founded by Franciscan Sisters in 1875, our priority remains the same: serve all who enter with dignity, compassion and joy. Serving nearly 715,000 people across Missouri, Illinois, Kentucky, Tennessee and Arkansas, our focus is on patients' outcomes, experience and value.

Anchored by Saint Francis Medical Center, a 306-bed tertiary hospital, and supported by more than 3,000 colleagues and nearly 300 providers in 11 communities, the Healthcare System is a driving economic force in the region. Major services include Primary Care, Gastroenterology, Cancer Institute, Emergency and Level III Trauma Center, Heart Hospital, Neurosciences, Orthopedics, Family BirthPlace and the region's first Level III Neonatal Intensive Care Unit.

Young Deer Hunters Harvest 18,158 During Early Youth Portion

NOVEMBER 05TH 2019 BY DEE LOFLIN

Young Deer Hunters Harvest 18,158 During Early Youth Portion

Top counties were Osage, Howell, and Franklin.

Preliminary data from the Missouri Department of Conservation (MDC) shows that young hunters ages 6 through 15 harvested 18,158 deer during Missouri's early youth portion of the 2019 deer hunting season, Nov. 2 and 3. Top counties were Osage with young hunters harvesting 381 deer, Howell with 355, and Franklin with 351.

Last year's harvest total for the early youth portion was 13,645. Get more information on past-season deer harvests at huntfish.mdc.mo.gov/hunting-trapping/species/deer/deer-harvest-reports/deer-harvest-summaries.

"We had great weekend weather for deer hunting," said MDC Deer Biologist Kevyn Wiskirchen. "It was chilly, but not freezing, which is good for deer movement."

Archery deer hunting continues through Nov. 15 and resumes Nov. 27 through Jan. 15, 2020. The November portion of firearms deer season runs Nov. 16-26 followed by the late youth portion Nov. 29 through Dec. 1. The antlerless portion of firearms deer season runs Dec. 6-8 followed by the alternative methods portion Dec. 28- Jan. 7, 2020.
