## Press Release from MSHSAA Limiting Fan Attendance

MARCH 12TH 2020 BY DEE LOFLIN

### Press Release from MSHSAA Limiting Fan Attendance

Per the Missouri High School Activities Association, fan interaction at the Show-Me Showdown this weekend is limited to 150 fans per school, due to COVID-19.

MSHSAA Communications Director Jason West released a press release via Twitter stating, "With a confirmed case of COVID-19 in the state and concern for the safety of all who will be working and attending the Show-Me Showdown, each school will be given 150 wristbands to distribute to its fans base. Only fans that have been given a wristband will be allowed in the arena. The distribution of the wristbands will be the responsibility of the school. Only essential school personnel will be allowed access to the arena as well. Any tickets previously purchased are now void. The MSHSAA Office will work with the participating schools on any reimbursements that need to be made."

West added in his press release that there would be no third-place games played, just the semifinals and championship games.

Lastly, West mentioned that working media members with approved credentials would have access to the games.

## Released Statement from MSHSAA's Executive Director Regarding COVID-19

MARCH 09TH 2020 BY DEE LOFLIN

### Released Statement from MSHSAA's Executive Director Regarding COVID-19

MSHSAA Member Schools,

We are paying attention to the latest news regarding the Coronavirus and any information being circulated by the Center for Disease Control. The following is a link to CDC information that provides guidance for groups and businesses. There is a section for schools on the link.

Center for Disease Control Link:

<https://www.cdc.gov/coronavirus/2019-ncov/specific-groups/guidance-business-response.html>

The CDC guidance, “Schools should continue to collaborate, share information, and review plans with local health officials to help protect the whole school community, including those with special health needs.”

We have contacted the Missouri Health Department and at this time, there are no restrictions or requirements to stop activities with large groups of people. We are developing contingency plans for the possible effects of school closures on the state playoffs, your spring sport practices and/or contests, and are

monitoring COVID-19 developments closely.

MO Department of Health and Senior Services link:

<https://health.mo.gov/emergencies/ert/alertsadvisories/index.php>

Lastly, you can never go wrong with practicing good hygiene and teaching your students to do the same. We will certainly keep you informed as to any new information we receive from these organizations, or other respectable sources.

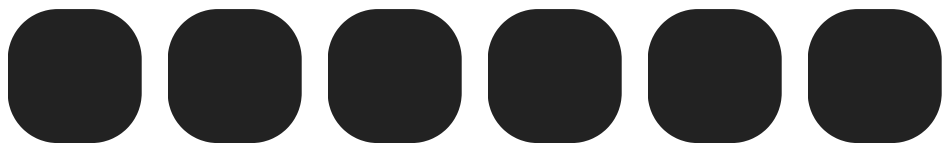

Respectfully,

Dr. Kerwin Urhahn  
MSHSAA Executive Director
