## From First Midwest Bank - We Are Limiting Our Lobby Access

At First Midwest Bank, the health and well-being of our customers are our top priority.

To minimize health risks from the Coronavirus (COVID-19), and in response to the latest recommendations from the Centers for Disease Control and Prevention (CDC) and the State of Missouri, we have decided to temporarily limit lobby access at all our branch locations until further notice.

We will continue to offer complete banking services during regular business hours at our drive-thru windows. Please call us at 573-624-3571 to schedule an appointment to complete any of the following:

**Safe deposit box services**

**Essential loan meetings**

**New deposit account opening**

**Other urgent business not able to be completed over the phone**

There are a number of ways you can remotely manage your finances without entering the bank. Review your options below and be sure to contact us if you need assistance utilizing or enrolling in the products.

**Drive-thru windows**

**ATMs**

**Night deposit drop boxes**

**Online Banking**

**Mobile Banking**

**iTalk Telephone Banking**

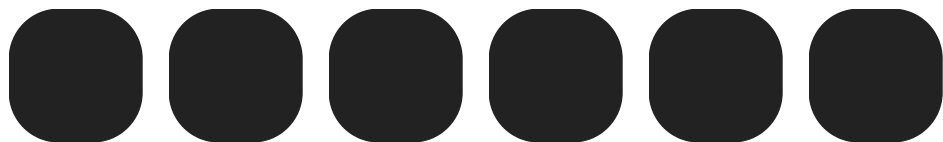

**Online Loan Payments**

Thank you for being a First Midwest customer. We will continuously monitor the latest updates from the CDC in order to resume regular branch lobby operations as soon as possible. You may check for regular updates [here](#).
