Southeast Missouri State University - Kennett Spotlight Jenise Seals

Kennett, MO - My name is Jenise Seals and I am majoring in Criminal Justice.

I attend the SEMO Kennett campus and I have been attending for almost two years.

Things are different now following the COVID-19 crisis.

Doing everything online is a very new experience for me and I wasn't expecting the change, but along the way, I have learned new things that will help me in the long run.

The biggest one that sticks out to me is being responsible. I've always been a responsible person, but when doing online, communication can be somewhat challenging. Now, I've been learning to balance out work and school and I've been using a planner to help me keep on top of my assignments. And if I ever do need help, Zoom is offered and phone calls are as well.

The SEMO Kennett campus means a lot to me and I'm glad they are doing everything in their power to make sure everyone is getting the help they need and to make sure everyone passes their classes.
