Luke Becker Receives Shelter Insurance Scholarship

APRIL 23RD 2020 BY DEE LOFLIN

Luke Becker Receives Shelter Insurance Scholarship

Shelter Insurance Foundation and Matt Thurmon, Shelter Insurance Companies Recipient of Local High School Scholarship.

This spring, the Shelter Insurance® Foundation awarded a \$2000 scholarship to Luke Becker a graduate of Dexter High School. Shelter Agent Matt Thurmon sponsors and partially funded this scholarship.

Beginning the fall after the recipient's high school graduation, Luke can direct the scholarship funds toward tuition, fees or campus housing for any course of study leading to an academic degree at any accredited college or university.

A committee of local high school officials and community leaders selected the local recipient. The committee considered each applicant's scholastic achievements, educational goals, citizenship, moral character and participation and leadership in school and community activities. The scholarship is given without regard to race, disability, religion, national origin or gender of applicants. The name of the recipient will be announced at the close of the school year.

The scholarship is paid directly to the school the recipient selects. Luke received a certificate from Matt Thurmon on behalf of the Shelter Insurance® Foundation.

One purpose of the Shelter Insurance Foundation is to fund scholarships within the operating territory of Shelter Insurance®. It is sponsored by the Shelter Insurance Companies, headquartered in Columbia, Missouri. Shelter offers auto, home, life, farm

and business insurance services via a network of local insurance agents in our operating territory.

Jackson High School Announces New Dates for Prom and Graduation 2020

APRIL 16TH 2020 BY DEE LOFLIN

Jackson High School Announces New Dates for Prom and Graduation 2020

Jackson, MO - The Jackson R-2 School District has tentatively rescheduled prom and graduation during the summer.

Prom is tentatively set for June 13, 2020 and commencement is set for June 19th. The locations for each event have not been determined yet.

For students that are entering the military, they are planning a special ceremony prior to the date of graduation, as many will be leaving before that time.

Southeast Missouri State University - Kennett Spotlight Jenise Seals

APRIL 13TH 2020 BY DEE LOFLIN

[Southeast Missouri State University - Kennett Spotlight Jenise Seals](#)

Kennett, MO - My name is Jenise Seals and I am majoring in Criminal Justice.

I attend the SEMO Kennett campus and I have been attending for almost two years.

Things are different now following the COVID-19 crisis.

Doing everything online is a very new experience for me and I wasn't expecting the change, but along the way, I have learned new things that will help me in the long run.

The biggest one that sticks out to me is being responsible. I've always been a responsible person, but when doing online, communication can be somewhat challenging. Now, I've been learning to balance out work and school and I've been using a planner to help me keep on top of my assignments. And if I ever do need help, Zoom is offered and phone calls are as well.

The SEMO Kennett campus means a lot to me and I'm glad they are doing everything in their power to make sure everyone is getting the help they need and to make sure everyone passes their classes.

Southeast Missouri State University - Sikeston Spotlight Sydney Mayo

APRIL 09TH 2020 BY DEE LOFLIN

Southeast Missouri State University - Sikeston Spotlight Sydney Mayo

Sikeston, MO - Sydney has been working as a student worker in the Southeast – Sikeston office since last fall. She will be transitioning to the Cape campus this fall, to pursue her major in Dietetics. Her goal is to become a Registered Dietician. We will sure miss her!

Sydney is a graduate of Bloomfield High School, and she was valedictorian of her class. She is one smart cookie, and she continues to do very well in her college classes.

When asked what she likes about the Southeast – Sikeston campus:

I like that the Southeast-Sikeston campus is small and all of the classes are right there in one building, without having to walk all over campus. The professors and staff are all very friendly and always ready to help. The location was perfect because I could still live at home and easily drive back and forth.

When asked about how the transition to alternative instructional methods is going (because of COVID-19): It's been going well so far. All of my professors have been extremely helpful and understanding with the whole situation, which makes this transition much easier.

Poplar Bluff Student Winners Named in Earth Day Contest

APRIL 06TH 2020 BY DEE LOFLIN

Poplar Bluff Student Winners Named in Earth Day Contest

Please note photo was taken on March 12th - Poplar Bluff Junior High and Technical Career Center students were recently awarded for placing in a T-shirt design contest initiated to promote the 50th anniversary of Earth Day.

On Thursday, March 12, top students received \$50 gift cards and trophies, sponsored by Ozark Federal Credit Union. Winners in the PBJHS category were: Cailin Pratt placing first, Carli Pundsack placing second, and Wyatt Meurlott-Luebben – third. TCC winners were: Jessica Paulin placing first, Jaden Jordan – second place, and Alayna Stokan – third.

The overall winner of the design chosen by way of committee was Jon Daniels, an area art teacher, who entered the adult category through the Margaret Harwell Art Museum, and received \$100. T-shirts are available for purchase at the art museum, with proceeds supporting the operation

“I chose the Junior High and Senior High levels for the T-shirt design contest since we love for students to be a part of the art museum,” stated Terena Whitworth, event organizer, whose husband Steve serves as museum director. “This was a way to make them aware of the 50th anniversary of Earth Day and the Margaret Harwell Art Museum at the same time.”

Terena Whitworth, a retired educator, said she can recall celebrating the 40th anniversary as a teacher at the former Poplar Bluff 5th and 6th Grade Center, and the 30th anniversary at O’Neal Elementary School. “My goal is for the whole community to become more aware of saving our planet and to celebrate Earth Day some time in April,” she continued.

The Margaret Harwell Art Museum is planning an ‘edible landfill’ and ‘junk sculpture’ activities free for children, ages 5-12, tentatively scheduled for 1:30-3:30 p.m. Saturday, April 18, at 421 N. Main St. For more information, contact Terena Whitworth at 573-785-3332.
