Stoddard County Health Dept to Offer COVID-19 Tests

The Missouri Department of Health and Senior Services and the Stoddard County Health Department perform drive-through testing for COVID-19 on Wednesday, June 10th, 7 AM - 3 PM.

Testing will be done in the Lighthouse Church parking lot in Dexter and REGISTRATION IS REQUIRED.

This is a community testing event and to pre-register you can call 877-435-8411 or [online by clicking HERE](#).

These are some of the questions you will have to answer online and over the phone.

1. I am a Missouri resident.
2. I understand the signup process includes multiple pages. I do not have an appointment until I complete all pages and can see the appointment confirmation screen.
3. If I exit this site without completing the signup and then come back, I will need to start my registration over. I cannot save an incomplete form to be completed later.
4. I will self-isolate while awaiting my test results if I am experiencing the any of the following at the time my test is performed:

- Cough, shortness of breath, difficulty breathing

Or at least two of the following:

- Fever, chills, repeated shaking with chills, muscle pain, headache, sore throat, new loss of taste or smell

5. I understand this test will require a swab being put into my nose.
