Historic WWII Aircraft Flying to Dexter

Dexter, MO - Ten Stearman Biplanes will be on display at the Dexter Airport on Saturday, September 5, 2020 at 8 a.m. They will be parked on the ramp in front of the Airways cafe.

The community is encouraged to come out and view these planes. People will not be permitted to climb on the aircraft.

These planes are historically significant as they were used to train U.S. Navy and Army Air Corps pilots in WW2 to prepare them to fly the fighters and bombers of the day.
