Dexter Police Will Crack Down on Child Restraint Violations

Dexter Police Will Crack Down on Child Restraint Violations

Missouri Law Requires Children Under Eight to be Restrained in Child Safety Seat.

Dexter, MO - Missouri law requires all children under the age of eight to be in an appropriate child safety seat or booster seat unless they are 80 lbs or 4'9" tall.

Dexter Police announced today they are joining with law enforcement agencies across the state September 20th - 26th for the annual Child Passenger Safety Week Law Enforcement Campaign to help reduce highway fatalities and serious injuries by cracking down on Missouri's child safety seat law violators.

Car crashes are one of the leading killers of kids. The proper use of a booster seat can reduce the risk of serious injury by 45 percent for children aged 4-8 years when compared with a standard seat belt by itself. Using the proper child safety seat provides children with the greatest opportunity to survive a crash.

Chief Trevor Pulley said regular child safety seat and safety belt use is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

[Gov. Parson Orders Flags at Half-Staff on Sunday](#)

Governor Mike Parson ordered U.S. and Missouri flags to be flown at half-staff at government buildings in St. Louis on Sunday, September 6, 2020.

This is in honor of St. Louis Metropolitan Police Department Officer Tammaris L. Bohannon.

“At only 29 years of age, Officer Tamarris Bohannon had already established himself as a model public servant and law enforcement officer. In just four years with the St. Louis Metropolitan Police Department, he was honored twice with the Department’s Award of Excellence and twice as Officer of the Month,” Governor Parson said. “Officer Bohannon’s courage, commitment to excellence in policing, and devotion to his young family and the St. Louis community are his lasting legacy. We will never forget all of the good Officer Bohannon accomplished in his brief time with us.”

The flags will be flown at half-staff on the day Officer Bohannon is laid to rest.

Historic WWII Aircraft Flying to Dexter

AUGUST 27TH 2020 BY DEE LOFLIN

Historic WWII Aircraft Flying to Dexter

Dexter, MO - Ten Stearman Biplanes will be on display at the Dexter Airport on Saturday, September 5, 2020 at 8 a.m. They will be parked on the ramp in front of the Airways cafe.

The community is encouraged to come out and view these planes. People will not be permitted to climb on the aircraft.

These planes are historically significant as they were used to train U.S. Navy and Army Air Corps pilots in WW2 to prepare them to fly the fighters and bombers of the day.
