Free School Meals for Children Through Fall

OCTOBER 04TH 2020 BY DEE LOFLIN

Free School Meals for Children Through Fall

Poplar Bluff, MO - The Poplar Bluff R-I School District, in partnership with Chartwells, is excited to announce that school meals will be free to all students through the end of the semester on Friday, Dec. 18, or longer, as Congressionally appropriated funding is made available.

The U.S. Department of Agriculture publicized the waiver extension for operators of the summer food service program on Monday, Aug. 31, in response to the public health emergency.

“We appreciate the incredible efforts by our school food service professionals year in and year out, but this year we have an unprecedented situation,” stated U.S. Secretary of Agriculture Sonny Perdue in a press release. “This extension of the summer program authority will employ summer program sponsors to ensure meals are reaching all children – whether they are learning in the classroom or virtually – so they are fed and ready to learn, even in new and ever-changing learning environments.”

Meals were previously available at no cost to students, grades pre-K through third, under the Community Eligibility Program. Now—funded through the federal nutrition assistance program—the Middle School, Junior High and High School students can also enjoy free school meals, including breakfast and lunch, and soon dinner to-go.

“These waivers will allow school nutrition professionals to focus on nourishing hungry children for success, rather than scrambling to process paperwork and verify eligibility in the midst of a pandemic,” added Reggie Ross, president of the School Nutrition Association.

Reimbursements will be processed on student accounts for meals paid for out-of-pocket dating back to the beginning of the program this school year.

PBJHS Wins Dental Office-Sponsored Raffle

OCTOBER 04TH 2020 BY DEE LOFLIN

PBJHS Wins Dental Office-Sponsored Raffle

Poplar Bluff, MO - In the spirit of giving back during its one-year anniversary, Blaich Family Dentistry made a \$1,500 donation to Poplar Bluff Junior High in a return-to-school raffle.

The dental practice, via Facebook, asked people to ‘like’ its page and nominate a school to receive \$1,000. On top of that, owner Dr. Eric Blaich pledged to match any additional funds raised up to a certain amount. A total of \$250 was generated through crowdfunding.

The social media post garnered nearly 300 comments, including nominations from public and parochial institutions throughout the region, several of which were schools within the R-I district. Junior High nurse Bailey Hester was responsible for the winning submission,

announced on Sunday, Aug. 30, by Blaich’s children: Stavia of Oak Grove and Jace of the Middle School.

Junior High Principal Candace Warren said the money would go in the school's activity fund in lieu of typical door-to-door fundraisers that have been canceled due to the pandemic. Blaich, a repeat supporter of the school system, said he plans to hold the back-to-school fundraiser annually.

Located at 821 W. Pine St., Blaich Family Dentistry was the former practice of Dr. Dan Jackson, who remains an associate of the operation.
