Local Christmas Card Exchange 2020 - Let's Make this a Very Merry Christmas

DECEMBER 03RD 2020 BY DEE LOFLIN

[Local Christmas Card Exchange 2020 - Let's Make this a Very Merry Christmas](#)

This holiday season will be like no other in our lifetime. COVID-19 has brought so much change and sadness. What if we returned to the old days of exchanging Christmas cards? Many of us have stopped this annual tradition because of social media and the internet. It's easier to say Merry Christmas to so many people without sending a card. Most of us don't even have handwritten address books anymore. Let's make this season a little brighter for everyone!

So here is the challenge for this Christmas or even after the holiday.....list your address below the post and anyone can send you a card. When you get a card just send a card in return or pick out a few addresses listed and send a Christmas card now. Don't forget the nursing homes. Those residents would love to have cards to hang on their door. Just send to the nursing home address and they will distribute or call ahead, you may be able to drop off several at one time. (Just remember they are not allowing people inside at this time due to COVID).

You will have until December 17th to mail your card locally to arrive by Christmas. Just let the post office know it is a local address.

After the holiday, brighten someone's day by sending a pick-me-up message of inspiration. Insert a recipe' or a little note "thinking about you". We all know isolation can be demanding on our psyche so let's brighten everyone's holiday with a special card!
