As winter weather drags on and the pandemic continues, it can be hard to keep spirits up. It's sometimes difficult to feel connected to the wider community. We have an easy way to help others and help yourself: give blood! Donating blood is a safer way to get out of the house and socialize. You can enjoy the warm, cozy feeling of knowing you were of service to others. You may even find yourself making a new friend (at a safe distance)!

To show our appreciation for making time to give by Feb. 28, we'll send you a \$5 Amazon.com Gift Card via email, thanks to our partners at Amazon! Just think of the little additional treat you may buy with that gift: a new journal, a soft pair of socks, a bag of organic kale chips – or, okay, some delicious chocolate.

There is an ongoing need for blood, and your single donation could help save more than one life. Will you step up to give this month?

### **Platelets and type AB plasma also needed**

Platelet donors and those with type AB blood are also continually needed to help ensure patients receive the lifesaving blood products they need. Platelets – a key clotting component of blood often needed by cancer patients, surgical patients and bone marrow recipients – must be transfused within five days of donation, so donations are constantly needed. Donors with type AB blood are urged to give blood or platelets to restock the plasma supply. Type AB donors have the universal plasma type, which can be given to patients of all blood types.

## How to donate blood

The free Blood Donor App – available in app stores by searching for American Red Cross or by texting BLOODAPP to 90999 – not only makes appointment scheduling easy, but donors can also access their digital donor card and be notified when their donation is distributed to a hospital. Donors can also visit [redcrossblood.org](https://redcrossblood.org) or call 1-800-RED CROSS (1-800-733-2767) to make an appointment or for more information. All blood types are needed to ensure a reliable supply for patients. A blood donor card or driver's license or two other forms of identification are required at check-in. Individuals who are 17 years of age (16 with parental consent in some states), weigh at least 110 pounds and are in generally good health may be eligible to donate blood. High school students and other donors 18 years of age and younger also have to meet certain height and weight requirements.

Blood donors in the Missouri-Illinois Blood Services Region can now save time at their next donation by using RapidPass to complete their pre-donation reading and health history questionnaire online, on the day of their donation, prior to arriving at the blood drive. To get started and learn more, visit [redcrossblood.org/RapidPass](https://redcrossblood.org/RapidPass) and follow the instructions on the site.

## About the American Red Cross

The American Red Cross shelters, feeds and provides emotional support to victims of disasters; supplies about 40 percent of the nation's blood; teaches skills that save lives; provides international humanitarian aid; and supports military members and their families. The Red Cross is a not-for-profit organization that depends on volunteers and the generosity of the American public to perform its mission. For more information, please visit [redcross.org](https://redcross.org) or visit us on Twitter at [@RedCross](https://twitter.com/RedCross).

## Norman Harty Estate Leaves Over \$8.4 Million to Shriners Hospital

JULY 16TH 2020 BY DEE LOFLIN

[Norman Harty Estate Leaves Over \\$8.4 Million to Shriners Hospital](#)

Shriners Hospitals for Children - St. Louis received a total of over \$8.4 million from the estate of well-known Southeast Missouri businessman and philanthropist Norman Harty.

A resident of Dexter, Missouri, Harty, who passed away in 2017, was supportive of his community and dedicated much time and effort to the Three Rivers Shrine Club and supporting Shriners Hospitals for Children. As the former president of First Commercial Bank, Harty owned 10 branches across Southeast Missouri. He also founded N.B. Harty Contractors.

Harty's generous gifts will help support world-class orthopaedic healthcare for children, regardless of their family's ability to pay.

"Thanks to the generosity of donors like Mr. Harty, our hospital can provided care to help children beyond the limits of their insurance and ensure confidence they are receiving the best care possible," said Chief of Staff Scott Luhmann, M.D.

Norman graduated from Puxico High School in 1954 and later attended Southeast Missouri State University and Williams Baptist College, eventually earning a degree from Arkansas University.

Mr. Harty proudly served in the U.S. Army. He attended the First Christian Church (Disciples of Christ) in Dexter.

## Bernie High School Class of 2020 Holds Traditional Graduation Ceremony

---

## Bernie High School Class of 2020 Holds Traditional Graduation Ceremony

Bernie, MO - The Bernie High School Class of 2020 wanted a traditional graduation to end their high school career. Thirty-five students received their diplomas on Saturday, June 6, 2020. The ceremony was postponed due to COVID-19; however the gathering of family and friends was much smaller in the gym and the students were separated to be in compliance with social distancing.

Cassidy Freed lead the audience and students in the Pledge of Allegiance to open the graduation ceremony.

2020 Class president Taylor Anthony welcomed everyone to the ceremony. She thanked her teachers. "You all made us who we are and made sure to support us in anything we wanted to accomplish. I learned more the past four years than I ever thought I would."

Salutatorian Kaylie Holt received a very special award from High School Principal Brad Botsch during the ceremony. She was the only member of the class to qualify for the honors banquet every year of eligibility from 4th grade to her senior year. Though the class of 2020 did not get an Honor's Banquet this year students were recognized during the ceremony. Those recognized were Shyann Charles, Hannah Cupp, Cassidy Freed, Blake Harty, Nathan Harvey, Kaylie Holt, Kelsey Spitzer, and Emilie Vincent.

Holt was involved Future Business Leaders of America, FCCLA, Sr. Beta Club, Explore Club, Choir, and Pep Club. She was also awarded the President's Award for Academic Excellence.

"My classmates and I have all experienced many different things in our lives, but there are some things that we can all related to, like when someone parked in your unofficially assigned parking spot," commented Holt. Several of the students laughed with her.

She went on to say that BHS has provided all of the students with great opportunities and had helped prepare them for success in the future. "You only live once,"

"So do what makes you happy and don't be afraid to take some chances. But most importantly live life like there is no tomorrow because you never really know if there is one."

Sidney Cobb fought back tears as she addressed her classmates while giving her valedictorian speech. "She is a very accomplished young lady", stated Brad Botsch, Bernie High School principal. She has been involved in Future Business Leaders of

America, Scholar Bowl, Pep Club, and Explore Club. She is the 2020 Student Council President, the Senior Class Vice President, and the Sr. Beta Club Vice President.

"Uncertain is the only way to describe the last few months of our high school career," stated Cobb. "COVID-19 ripped away many of the moments. We did not get to experience our senior tip, our senior faculty games, our senior prom, or our last few days together. For a lack of better words, that sucks."

In conclusion Cobb stated, "To the Bernie High School Class of 2020, I cannot even begin to describe how happy I am to know you. I have become so close with so many of you and for that, I am truly grateful. I love you all and I wish you the absolute best in your future. Stay safe and do the amazing things I know you are all capable of doing!"
