Five winners to each receive \$3,000 to support K-12 STEM projects

Schools and organizations serving K-12 students in Sparklight communities have the opportunity to win \$3,000 to fund their science, technology, engineering or math project or club as part of the internet service provider's annual "Dream Bigger" social media campaign.

K-12 schools and organizations in communities throughout the 21 states Sparklight serves can enter to win simply by sharing a photo and written entry outlining how the money will be used to fund their technology project – whether for equipment, competition fees, field trips or otherwise – and how it benefits students. Five entities will be selected to

each receive a \$3,000 award.

“The diverse and innovative ways students in the communities we serve utilize technology both inside and outside of the classroom is impressive and paves the way for our future,” said Trish Niemann, Sparklight’s Senior Director of Corporate Communications. “In an increasingly digital world, made more evident during the Coronavirus pandemic, we are excited to see how technology is helping students dream bigger, and we want to do our part to help make those dreams happen.”

Entries will be accepted from March 1 through March 19 at sparklight.com/contest. Ten finalists will be selected by Sparklight and the winner will be determined by public voting from March 22 through March 31. The finalists – as well as the schools and organizations selected to receive the award – will be highlighted on Sparklight’s social media channels, including Facebook and Instagram.

Presidential Proclamation - Flags to Fly Half Staff Until Friday

Presidential Proclamation - Flags to Fly Half Staff Until Friday

Fly the United States Flag at Half-Staff Immediately Until Sunset on Friday, February 26, 2021 **Remembering the 500,000 Americans Lost to COVID-19**

A Proclamation on Remembering the 500,000 Americans Lost to COVID-19

February 22, 2021 • Presidential Actions

As of this week during the dark winter of the COVID-19 pandemic, more than 500,000 Americans have now died from the virus. That is more Americans who have died in a single year of this pandemic than in World War I, World War II, and the Vietnam War combined. On this solemn occasion, we reflect on their loss and on their loved ones left

behind. We, as a Nation, must remember them so we can begin to heal, to unite, and find purpose as one Nation to defeat this pandemic.

In their memory, the First Lady and I will be joined by the Vice President and the Second Gentleman for a moment of silence at the White House this evening. I ask all Americans to join us as we remember the more than 500,000 of our fellow Americans lost to COVID-19 and to observe a moment of silence at sunset. I also hereby order, by the authority vested in me by the Constitution and laws of the United States, that the flag of the United States shall be flown at half-staff at the White House and on all public buildings and grounds, at all military posts and naval stations, and on all naval vessels of the Federal Government in the District of Columbia and throughout the United States and its Territories and possessions until sunset February 26, 2021. I also direct that the flag shall be flown at half-staff for the same period at all United States embassies, legations, consular offices, and other facilities abroad, including all military facilities and naval vessels and stations.

IN WITNESS WHEREOF, I have hereunto set my hand this twenty-second day of February, in the year of our Lord two thousand twenty-one, and of the Independence of the United States of America the two hundred and forty-fifth.

JOSEPH R. BIDEN JR.
