Emergency Blood Shortage - American Red Cross Needs You In Bernie!

Emergency Blood Shortage - American Red Cross Needs You In Bernie!

Bernie, MO - The American Red Cross will host a BLOOD DRIVE at the Bernie Community Center on Wednesday, October 27, 2021.

The Bernie Community Center is located at 503 South Walnut Street. The hours will be from 12:30 p.m. - 5:30 p.m.

This month is scary, and it's not because of Halloween. Fall is typically a time when the blood supply bounces back from summer blood shortages, but this year is different. We're experiencing an emergency blood shortage amid the lowest donor turnout in all of 2021. Hospital demand for blood remains high, so it's critical that blood is always available.

One blood donor can make a big impact, and one appointment is all it takes. Come in to give blood this October and receive a link by email to claim a free Zaxby's® Signature Sandwich reward!* Or get a \$5 e-gift card to a merchant of your choice.** PLUS, get double the thank-you with an extra \$5 e-gift card when you come to give by Oct. 31!

You may still donate after receiving a COVID-19 vaccination. Knowing the name of the manufacturer is critical in determining your blood donation eligibility.

The Red Cross follows the highest standards of safety and infection control. For the safety of our donors and staff, the Red Cross will require all those at blood drives and blood donation centers to wear face masks regardless of their vaccination status. Valve face

masks are not permitted. Face shields can be worn in addition to face masks but not as a substitute.

Proclamation on the Death of General Colin Powell

October 18, 2021

General Colin Powell was a patriot of unmatched honor and dignity. The son of immigrants, born in New York City, raised in Harlem and the South Bronx, a graduate of the City College of New York, he rose to the highest ranks of the United States military and to advise four Presidents. He believed in the promise of America because he lived it. And he devoted much of his life to making that promise a reality for so many others. He embodied the highest ideals of both warrior and diplomat. He led with his personal commitment to the democratic values that make our country strong. He repeatedly broke racial barriers, blazing a trail for others to follow, and was committed throughout his life to investing in the next generation of leadership. Colin Powell was a good man who I was proud to call my friend, and he will be remembered in history as one of our great Americans.

As a mark of respect for General Powell and his life of service to our Nation, I hereby order, by the authority vested in me as President of the United States by the Constitution and the laws of the United States of America, that the flag of the United States shall be flown at half-staff at the White House and upon all public buildings and grounds, at all military posts and naval stations, and on all naval vessels of the Federal Government in the District of Columbia and throughout the United States and its Territories and possessions until sunset on October 22, 2021. I also direct that the flag shall be flown at half-staff for the same length of time at all United States embassies, legations, consular offices, and other facilities abroad, including all military facilities and naval vessels and stations.

IN WITNESS WHEREOF, I have hereunto set my hand this eighteenth day of October, in the year of our Lord two thousand twenty-one, and of the Independence of the United States of America the two hundred and forty-sixth.

JOSEPH R. BIDEN JR.

President of the United States
