Fall Back Saturday Night! We Return to Standard Time!

NOVEMBER 05TH 2021 BY DEE LOFLIN

Fall Back Saturday Night! We Return to Standard Time!

For those of you that are preparing for the return to Standard Time (or not) this weekend, it is always good to make sure you have a fresh set of batteries in your NOAA Weather Radio in the event of Severe or Winter Weather! Also don't forget to change those filters on your returns and furnaces! Check those smoke detectors as well and make sure the batteries are new.

Before you go to bed on Saturday night, turn your clocks one hour back. Your cell phones should automatically update at 2 a.m. Sunday morning.
