A Proclamation on the Death of Robert Joseph Dole

December 5, 2021

DEATH OF ROBERT JOSEPH DOLE

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

As a mark of respect for Robert Joseph Dole, a statesman like few in our history and a war hero among the greatest of the Greatest Generation, I hereby order, by the authority vested in me as President of the United States by the Constitution and the laws of the United States of America, that the flag of the United States shall be flown at half-staff at the White House and upon all public buildings and grounds, at all military posts and naval stations, and on all naval vessels of the Federal Government in the District of Columbia and throughout the United States and its Territories and possessions until **sunset on December 9, 2021**. I also direct that the flag shall be flown at half-staff for the same length of time at all United States embassies, legations, consular offices, and other facilities abroad, including all military facilities and naval vessels and stations.

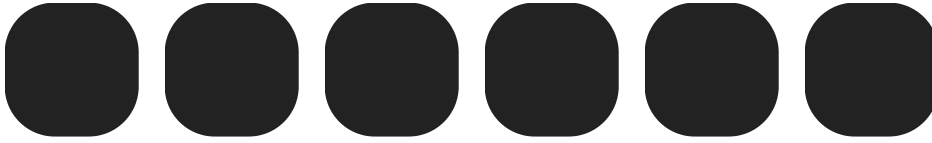

IN WITNESS WHEREOF, I have hereunto set my hand this fifth day of December, in the year of our Lord two thousand twenty-one, and of the Independence of the United States of America the two hundred and forty-sixth.

JOSEPH R. BIDEN JR

Southeast Missouri Rattled by 4.0 Earthquake on Wednesday Evening

NOVEMBER 18TH 2021 BY DEE LOFLIN

[Southeast Missouri Rattled by 4.0 Earthquake on Wednesday Evening](#)

Many residents of Southeast Missouri were rattled on Wednesday evening when a 4.0 magnitude earthquake struck the area.

The quake occurred at 8:53 p.m. and was centered five miles south-southeast of Williamsville according to the United States Geological Survey (USGS).

According to USGS data this was the largest earthquake in the region since a 3.9 magnitude quake hit the Bertrand area in February of 2012.

Andrew Bohnert, Stoddard County EMA Director stated, "We have not heard of any damage to homes or building in the Stoddard County area, but some residents reported pictures falling off walls." He went on to say that more damage was reported in the Butler County area including some drywall cracks and maybe some windows broken.

The USGS initially reported the earthquake as a magnitude 3.7 but later upgraded it to a 4.0.

Many residents across Stoddard County and surrounding area reported hearing a loud boom just before the earthquake hit. The ground shook for several seconds. One person reported her bird felt it before she did and alerted her to something coming.

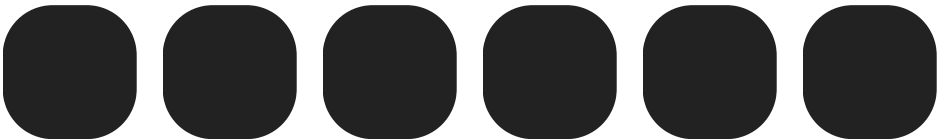

City Administrator, Trevor Pulley, contacted the ShowMe Times within minutes to let people know he and Dexter's EMA Director, Don Seymore, were out checking buildings downtown. They found some wind damage as the winds picked up right around the time of the earthquake. They both have reported no major damage.

If you felt the earthquake the USGS would like to hear from you. [Here is a quick survey that will help them with data! Click HERE.](#)
