City of Dexter Passes Use of UTVs on Streets, Read Ordinance for Rules

[City of Dexter Passes Use of UTVs on Streets, Read Ordinance for Rules](#)

The Dexter Board of Aldermen approved the use of UTVs on the streets of Dexter Monday, January 3, 2022 by a vote of 4-1. Alderman Tim Aslin cast the lone no vote and alderman Frank Killian was unable to attend the meeting.

“I want to clarify my no vote on the UTV ordinance. It was solely on the issue of safety based on a written statement from a group of the largest manufactures, including Polaris and Can-Am that have urged cities and counties to not allow UTVs on city streets and

paved county roads,” said Aslin after the meeting. “Essentially they have stated a disproportionately high number of serious accidents and fatalities occur on paved roads versus off-road for which the vehicles were designed.”

The ordinance takes effect on February 1, 2022 and defines a UTV as any motorized vehicle manufactured and used exclusively for off-highway use, which is more than 50, but not more than 67 inches wide. The definition also says the vehicle has an unladen dry weight of 2,000 pounds or less, travels on four or six wheels and is used primarily for landscaping, lawn care or maintenance purposes.

UTVs will be allowed on city streets with the exception of One Mile Road, Brown Pilot Lane, Central Drive, Grant Street between Park Lane and Two Mile Road, nor are they allowed on state or federal highways. UTVs may cross said highways where the speed limit is 45 miles per hour or less. It should be noted that Business 60 is classified as a state highway, meaning the UTVs cannot be used on Business 60.

Below is the exact language of the Ordinance.

BILL NO ORDINANCE NO. 50i9
