Cape Girardeau, MO - The Dexter boys and girls track and field teams competed in the Notre Dame Frozen Invitational on Saturday, March 19, 2022. The meet lived up to its name as the temperature was a little chilly on Saturday morning, but heated up throughout the day.

"I feel like both teams did a fantastic job for the first meet of the season," commented head track and field coach James DeBerry. "The N.D. Frozen definitely lived up to the name! For most of the meet it was cold and windy. That is going to have an effect on times/field events. I told my athletes we aren't here to win this today. We are here to get the wheel moving again. To establish a base, and set goals moving forward. I would say overall we achieved that."

They finished 2nd with a time of 3:44. You can expect us to be working on that a lot more this season," continued DeBerry.

Gabby Brown placed 2nd in the 1600m with a time of 5:41.75 She also finished 2nd in the 800m with a time of 2:32.07 Brown placed 4th in the 3200m with a time of 12:25.11.
