Bernie School Board Meeting Minutes - April 11, 2022

APRIL 15TH 2022 BY DEE LOFLIN

Bernie School Board Meeting Minutes - April 11, 2022

The Board of Education met in regular session on Monday the 11th of April.

Summer school was set to be held tentatively from May 23, through June 10, 2022.

The Board approved the Vocational Program Evaluation.

New Board Members, Kristopher Powell and Jason Shelton were sworn into office. Judy Zoll was elected president. Denny Riddle was elected vice-president. Dena Mouton was named secretary/treasurer. Rhonda Shipman was named alternate secretary/treasurer. Dena Mouton was named custodian of records. The regular meeting time for the Board of Education was set for the second Monday of every month with the meetings to be held in the Central Office Boardroom at 7 p.m.

The Board approved awarding certified and classified staff a step on the salary schedule and also approved an increase in the percentage of the Extra Duty Salary schedule.

Bills were reviewed and approved.

During executive session the recipient of the Rutland Scholarship was selected.

The Board accepted resignations from Lari Jean Hardin, Beth Shaffer, Kelsi Jones and Paige Griffin.

The Board approved hiring Brandi Stanley, 1st Grade Teacher and approved adding Christine Young to the Substitute list.

Bernie High School STUCO to Host Blood Drive

FEBRUARY 23RD 2022 BY DEE LOFLIN

Bernie High School STUCO to Host Blood Drive

Bernie, MO - The Bernie High School Student Council will host a Red Cross Blood Drive on Wednesday, February 23rd. The blood drive will be held at the Bernie Community Center at 503 S. Walnut from 12:30 p.m. - 5:30 p.m.

All donors will receive a \$10 gift card from the American Red Cross.

You may still donate after receiving a COVID-19 vaccination. Knowing the name of the manufacturer is critical in determining your blood donation eligibility.

The Red Cross follows the highest standards of safety and infection control. For the safety of our donors and staff, the Red Cross will require all those at blood drives and blood donation centers to wear face masks regardless of their vaccination status. Valve face masks are not permitted. Face shields can be worn in addition to face masks but not as a substitute.

Platelets and type AB plasma also needed

Platelet donors and those with type AB blood are also continually needed to help ensure patients receive the lifesaving blood products they need. Platelets – a key clotting component of blood often needed by cancer patients, surgical patients and bone marrow recipients – must be transfused within five days of donation, so donations are constantly needed. Donors with type AB blood are urged to give blood or platelets to restock the plasma supply. Type AB donors have the universal plasma type, which can be given to patients of all blood types.

How to donate blood

The free Blood Donor App – available in app stores by searching for American Red Cross or by texting BLOODAPP to 90999 – not only makes appointment scheduling easy, but donors can also access their digital donor card and be notified when their donation is distributed to a hospital. Donors can also visit redcrossblood.org or call 1-800-RED CROSS (1-800-733-2767) to make an appointment or for more information. All blood types are needed to ensure a reliable supply for patients. A blood donor card or driver's license or two other forms of identification are required at check-in. Individuals who are 17 years of age (16 with parental consent in some states), weigh at least 110 pounds and are in generally good health may be eligible to donate blood. High school students and other donors 18 years of age and younger also have to meet certain height and weight requirements.

Blood donors in the Missouri-Illinois Blood Services Region can now save time at their next donation by using RapidPass to complete their pre-donation reading and health history questionnaire online, on the day of their donation, prior to arriving at the blood drive. To get started and learn more, visit redcrossblood.org/RapidPass and follow the instructions on the site.

About the American Red Cross

The American Red Cross shelters, feeds and provides emotional support to victims of disasters; supplies about 40 percent of the nation’s blood; teaches skills that save lives; provides international humanitarian aid; and supports military members and their families. The Red Cross is a not-for-profit organization that depends on volunteers and the generosity of the American public to perform its mission. For more information, please visit redcross.org or visit us on Twitter at [@RedCross](https://twitter.com/RedCross).
