Toni Hill Attends Department of Elementary and Secondary Education Conference

The 2022-23 MASA Executive Team met for the first time this school year at the annual Department of Elementary and Secondary Education (DESE) conference on Tuesday, August 2, 2022. The team heard staff updates, an AASA report, and a report from this year's President Brad Swofford.

Toni Hill, Superintendent of Bloomfield Schools, was in attendance.

They would like to thank these superintendents for their volunteer efforts to make the Missouri association the best it can be for its members. They know their schedule is busy, and they appreciate their contribution immensely!
