Stoddard County Public Water District Seeks a Water Operator

Stoddard County Public Water District is seeking either a Water Operator with a Distribution 1

Certificate or someone wishing to be trained.

Pay will be determined by experience.

Should a trainee be selected Certification would be required after the training period and paid for by the water district.

While we strive to keep a Monday through Friday schedule, emergencies sometimes do occur and may require the employee to work beyond the schedule or on a weekend.

The position does require a High School Diploma or GED.

If you are someone with a great attitude, a willingness to learn and are appreciative of an opportunity for advancement with training please give us a call.

Duties will include installing water meters, repair or installation of water pipes, and collection of water samples, and other job duties as needed.

Our starting pay is \$15 an hour, but negotiable with the right person, right experience and a Certificate.

This is currently a part time position of 24 hours a week, but my increase as we grow.

Call (573) 568-3636 for more details.

Stoddard County Public Water District is an equal opportunity employer and does not discriminate.
