Dan Craig, County Assessor stated that the cameras went out in the hallway and four in his office. One quote which is lower is made from China and the Feds do not approve

that if you get federal monies. The other bid is about \$1,000 more, but approved by the Federal Government. It was suggested that half be paid by the assessor's office and half to be paid by the Commission since those cameras are in the hallway. Craig contacted Talkington earlier and got two quotes for eight cameras and a new system with the possibility of adding more cameras to the system later.

Motion made by Commissioner Carol Jarrell to go with Creative Data Systems for 8 cameras at a price of \$6,869.00 1/2 paid for by the Commission. Commissioner Steve Jordan seconded the motion. All three voted yes.
