Mirly to Take on New Role as Emergency Nurse Practitioner at Saint Francis

Saint Francis Healthcare System is pleased to recognize Stephanie Mirly, FNP-C, ENP-C, in her new role as Emergency Nurse Practitioner in the Emergency Department.

Mirly earned her Master of Science in Nursing at University of South Alabama in Mobile, Ala., and is board certified by the American Academy of Nurse Practitioners.

Mirly began her career at Saint Francis in 2016 as a Registered Nurse in the Emergency Department.

Saint Francis Healthcare System is guided by our Mission to provide a ministry of healing, wellness, quality and love inspired by our faith in Jesus Christ. Founded by Franciscan Sisters in 1875, our priority remains the same: serve all who enter with dignity, compassion and joy. Serving nearly 713,000 people across Missouri, Illinois, Kentucky, Tennessee and Arkansas, our focus is on patients' outcomes, experience and value.

Anchored by Saint Francis Medical Center, a 306-bed tertiary hospital, and supported by nearly 3,000 employees and more than 250 providers in ten communities, the Healthcare System is a driving economic force in the region. Major services include the Cancer Institute, Emergency and Level III Trauma Center, Family BirthPlace and Level III Neonatal Intensive Care Unit, Heart Hospital, Neurosciences and Orthopedics.
