## Tammy Fowler Named Bloomfield Chamber Woman of the Year

The Bloomfield Chamber of Commerce held their annual awards banquet on Thursday, March 30, 2023 at the Boathouse Wine Company.

Tammy Fowler knew she wanted to be a nurse since she was in the 3rd grade and she did just that. She became a registered nurse in 1980 and a Family Nurse Practitioner in 1997.

As Tammy says, she is a city slicker from California. She married Ken Fowler in 1978 and it was Ken who brought her here to live in Missouri in 1980.

It was like a foreign country to her. Tammy and her husband, Ken, built a family here having two daughters, Jennifer and Rebecca and later a granddaughter Kylie and a grandson Triston.

Tammy lost her husband in 2021. He was a Veteran. She continues to build their legacy here in the community. She is a member of Mt. Zion Walker General Baptist Church, the Veterans Foreign War Auxiliary and the American Academy of Nurse Practitioners.

She raises some cattle and chickens on their small farm here in Bloomfield and her California family enjoy coming to visit the rural community.

She has spent the majority of her professional career with Missouri Delta Medical Center and most recently with Southeast Health at the Bloomfield Health Clinic. She enjoys family practice because she gets to know the clients and develops a strong relationship

with them, considering them an extension of her family. Her practice allows her to be there for her extended families who journey through battling serious medical health conditions. the relationships she has build here in the community with the people she takes care of will last a lifetime.

The clients of Bloomfield truly care for Tammy and it definitely shows.

On behalf of the Bloomfield Chamber of Commerce, the Woman of the Year Award is dedicated to Tammy Fowler.

# Aslin Farms Named Bloomfield Chamber Farm Family of the Year

MARCH 30TH 2023 BY DEE LOFLIN

## Aslin Farms Named Bloomfield Chamber Farm Family of the Year

The Bloomfield Chamber of Commerce held their annual awards banquet on Thursday, March 30, 2023 at the Boathouse Wine Company.

Aslin Farms began in 1919 when Ernest and Eva Aslin, Robert's grandfather and grandmother and Nathan's great grandfather and great grandmother had 60 acres of land continuously. Through the years the amount of land added to the farm has greatly expanded.

Robert (Bob) Aslin and Nathan, his son, along with their wives, children, grandchildren, siblings, and extended family play a big part in the success of the Aslin Farm operation.

The Aslin family farm has approximately 2,300 acres. Their crops are made up of corn, soybeans and wheat. and they are also involved in the cattle business owning approximately 100 head. Of course, being smart farmers, they bale all the hay they feed to the cattle.

Some children graduated from school and wanted to move on to what they think are bigger and better thing, but not his family. When Robert was growing up he worked on the farm during the school year and once he graduated, he remained on the farm. Then his son, Nathan, worked on the farm during the school year and when he graduated, he remained on the arm and they have grown the operation to where it is today.

They have continued the heritage that Ernest and Eva Aslin began 104 years ago.

In 2019 the Aslin Family Farm was designated a "Century Farm" by Farm Bureau of Missouri.

It is an honor tonight to award the Bloomfield Chamber Farm Family of the Year to the Aslin Farms.

## 2021 Bloomfield Chamber of Commerce Educator of the Year - Stephanie Young

APRIL 05TH 2022 BY DEE LOFLIN

### 2021 Bloomfield Chamber of Commerce Educator of the Year - Stephanie Young

The Bloomfield Chamber of Commerce held their annual Awards Banquet on Thursday, March 31, 2022 at the Boat House Wine Co.

Toni Hill, Superintendent of Bloomfield Schools, and a Chamber Board Member, was unable to attend the awards banquet. Mrs. Casey Karnes, middle school principal at Bloomfield Schools, filled in last minute, and presented the Educator of the Year Award.

After moving back to Missouri after an eighteen year stint in Wyoming, Stephanie Young, decided to return to college to obtain her education degree.

However the first hurdle, besides two young children and a long commute daily, was taking the entrance exam into the education program. Standing in line with all the babies fresh out of high school she had never felt so out of place. But clutching her freshly sharpened #2 pencils and an ID that had a birthday significantly preceding any of the people in that line, she forged onward. That led to her education degree after a year and half and the rest is now history.

Stephanie did her student teaching in Sikeston for one block and Bloomfield for the other. After teaching in Bloomfield she decided that the Bloomfield School District was the only place she wanted to work and applied only to Bloomfield. She was working as a rural mail carrier when she received a call about an interview. The day she interviewed was particularly hot and dusty on the route, but fortunately they saw through the pigpen appearance and she received a job offer to teach third grade.

Stephanie spent 18 years teaching third grade and fully expected to retire from that grade level when she received an invitation to teach 6th grade math and science. She planned on turning it down as teaching middle school was akin to war only with more hormones. After much thought and prayer she decided to take the position and was rewarded with a renewed sense of purpose and discovered she loved middle school. She taught 6th grade for 3 years and is currently working as an Interventionist which allows her to work many different grade levels, students, and teachers. She hopes that the students she has had over the years have good memories for the statement "Children won't always remember what you taught them but they will always remember how you made them feel" rings true.

Stephanie currently resides in Dexter although her husband is pushing for Florida. She is married to Jeremiah Young, has two adult daughters and three wonderful grandchildren ages 13, 5 and 1.

Congratulations Stephanie Young, Bloomfield Chamber of Commerce Educator of the Year!
