Deobligation of CDB Grant with the Bootheel Regional Planning Commission as Administrator

The Grant was tied to prevailing wages and the cost would be two to there times greater than just performing the work without the grant. Josh Speakman, Stoddard County Collector/Treasurer

The city of Bernie entered into a contract, approved by the County Commission, with the Stoddard County Collectors Office to begin collecting city taxes for them a few months ago.

"During the transition process, it was agreed upon that the Collector would attempt to help settle some of their more recent delinquent accounts," commented Speakman. "In order to do this they gathered the last 4 years tax rolls and entered the delinquents into a

separate collection software to monitor and then flag accounts in our county software."

"Let's back up a moment, the Bernie City's tax rolls were printed reports and when an individual came into pay at the city, they were given a stamped receipt/marked paid, copy retained at the city and then marked paid on the tax roll," continued Speakman.

The city of Bernie has had a handful of occasions where the County entered them into their city delinquent monitoring system, using the tax roll provided, triggering their system to flag them as they came in to pay the 2023 year and it showed they had not paid the previous years.

Speakman took action and offered two ways to deal with the issue:

1. Do not pay them, and return with the stamped receipt. They will then correct it on the city delinquent tracking system and all will be good. In the event they were unable to produce a receipt, they were made aware they would not fall off and would have to be addressed in the near future.
2. Pay the delinquent, return with the stamped or marked paid receipt from the city of Bernie and they would ensure the city of Bernie would reimburse the tax and the County would correct it on their end.

The County Collector have been flexible and looking at each situation on a case by case basis.

"The mayor of Bernie, city clerk, and their city hall staff have also been very helpful during this transition," commented Speakman.

"These issues have been somewhat rare," continued Speakman. "By the County collecting , this helps eliminate these types of issues in the future. The citizens of Bernie now have a one stop shop and the resources such as the Tax Installment Plan, paying online with card or E-Check, or having us send a link to their phone to pay, Monday through Friday access in person and a 24/7 online access. Lots of options here for the citizens."

"I am not necessarily alarmed by the clerical errors, considering it was all done by hand, I somewhat expected some issues during this transition," continued Speakman. "The city of Bernie's willingness to make it right has also been extremely helpful."

Cecil Weeks, Stoddard County Clerk

County Clerk's Office will be open 8:30 p.m. - 5 p.m. on December 26th. This is the Christmas holiday for the County and they will be the only office open due it being the last day for people to file to run for office. This is unfortunate and the state may rectify this in the future to have the dates changed, but for now someone has to work that day.
