Dense Fog Advisory Issued for Stoddard County, Missouri

Dense Fog Advisory Issued for Stoddard County, Missouri

The National Weather Service in Paducah, Kentucky has issued a Dense Fog Advisory until Noon CST Thursday, January 25, 2024.

Affected Area

Portions of southern Illinois and southeast Missouri

Description

...DENSE FOG ADVISORY REMAINS IN EFFECT UNTIL NOON CST THURSDAY...
WHAT...Visibility one quarter mile or less in dense fog. WHERE...Portions of southern Illinois and southeast Missouri. WHEN...Until noon CST /1 PM EST/ Thursday. IMPACTS...Hazardous driving conditions due to low visibility. ADDITIONAL DETAILS...The dense fog advisory covers most of southeast Missouri and southern Illinois. While portions of the region may experience visibilities above 1/4 mile this afternoon, they are expected to decrease again this evening.
PRECAUTIONARY/PREPAREDNESS ACTIONS... If driving, slow down, use your headlights, and leave plenty of distance ahead of you.
