In Memory of Everett Ray Kyle

JANUARY 29TH 2024 BY DEE LOFLIN

In Memory of Everett Ray Kyle

Everett Ray Kyle, son of the late Albert Kyle and Jewell McClain Kyle, was born on November 9, 1950, Cairo, Illinois, and departed this life on January 27, 2024, at his residence in Dexter, Missouri, at the age of 73 years.

Affectionately known as Pop, Pa, or Old Pa, Everett passed away with a heart full of memories and a legacy that spans a lifetime. He graduated from Dexter High School in 1969. Following in the footsteps of his late father Albert, Everett dedicated his life to the electrical profession, leaving a lasting mark on Southeast Missouri farms, industries, businesses, and residences. His commitment to his craft played a crucial role in shaping the landscape of the region. Including building substations and developing the SCADA system for the City of Sikeston, he later traveled to California, teaching others how to utilize the system. One of his main accomplishments in the City of Sikeston power station was solving the turbine problem that had plagued the plant since day one. Many saw him not only as a proficient electrician but as a mentor and craftsman whose impact was felt far and wide. His legacy lives on in the wires he meticulously connected, the circuits he masterfully navigated, and the countless lives he illuminated with his knowledge.

Settling in Dexter, Mo, Everett married Karen Kay Perry and together they raised two sons, Aaron and Ben. He shared his passion for 4x4 trucks and the art of rebuilding cars, creating lasting memories with his boys. Everett's enthusiasm extended to his famous 1974 International Hi-Binder, and he proudly served as the president of the Bootheel 4 Wheelers in the 1980s.

Beyond his professional and automotive pursuits, Everett was a collector at heart. His love for coins and a diverse collection of toys, particularly model trains and International tractors, showcased his eclectic interests and joyful spirit, sharing this love of trains and tractors with his grandchildren and great-grandchildren.

In the later years of his career, Everett established his own business, eventually becoming an electrical supervisor for Progressive Industrial Electric. Locally known to many as the smartest man in the field, he served as an inspirational mentor to all who had the privilege of knowing him.

During his final years, Sandra Bowling stood as Everett's devoted caregiver. Her love and care provided comfort to him, and he expressed deep gratitude for her presence in his life.

He is survived by two sons, Aaron Kyle (Leslie) of Bloomfield, Missouri, and Ben Kyle (Brandi) of Dexter, Missouri; by his sister, Marsha Feldmann (Tom) of Austin, Texas; by eight grandchildren, Ashleigh Smith, Amber Smith, Garrett Kyle, Tucker Kyle, Hunner Kyle, Anistin Kyle, Lillian Kyle, and Ali Kate; and by six great-grandchildren, Kennadie Hicks, Kamdon Hicks, Karter Hicks, Klyde Hicks, Kleo Hicks, and Greyson Kyle and best lifelong friend Ronnie Smith.
