Aslin presented a letter to the Commission stating the following,

"This letter will inform you of my decision to retire from the above boards as the representative for the Bloomfield community effective at the Annual Meeting to be held on July 16, 2024. It has been my pleasure and honor to have served, as President, on these boards for 30 years representing the Bloomfield Community. As I end my tenure I wish to thank the present and past County Commissioners, present and past board members, and current executive director, Peter Coutavas, for their support and service to both boards. In addition, two of our past executive directors, the late Gary Capps and the late Julian Steiner, both were instrumental in several successful projects during their tenure. I would be remiss if I did not also thank Sue Tippen for her service of over 20 years as our Assistant Director of both the IDA and Foundation Boards. Last, but certainly not least, a huge thank you to John Pruitt, Treasurer, and Janet Coleman, Secretary of their service of 28 and 29 years respectively."

Amy currently serves as President of the Bloomfield Chamber of Commerce and President of the Bloomfield City Park Board. Chuck Kasting, Stoddard County Ambulance District Director

"Several months ago I brought this up with Beau Bishop, EMA Director and having been up at Perryville the last time and the influx of people who came there, I felt the need to work on this project extensively," commented Kasting.

"Stoddard County is the 10th largest county in Missouri and we have a lot of flat viewing area. We have 9 ambulances staffed on Monday, April 8th," continued Kasting.

At the current time the forecast is calling for clear skies, warm weather and beautiful viewing of the only eclipse most likely in the next 50 plus years.

"This is a very unique event in our County with totality to be around 1:50 p.m. - 1:56 p.m." Kasting stated.

All schools in Stoddard County will be in session. In Dexter, Amy James, superintendent is locking down the campus to outside viewers. They will use buses at the entrances to the campus to prevent people coming and setting up while the students are also viewing the eclipse.

Kasting encouraged all solar eclipse viewers to wear certified eye protection as the sun's rays will damage the eyes. You also can not take photos with your cell phone without a special lens cover. Once the event is complete around 2 p.m. the traffic may get heavy pretty fast with people leaving the area. Be patient and wait. There will be extra law enforcement on hand to help with traffic as well as any emergencies. During the months of February and March PWSD #6 was billed \$2,999.00 and \$9,034.00 respectively. The bills were from Cas Construction, who is in good standing with the State of Missouri. The bills were for the locates and repairs due to the new GoSEMO Fiber optic Project. These expenses were not foreseen and were not included in our budget."

Treasurer Malek Visits Stoddard County Sheltered Workshop, Highlights MO ABLE Program

Treasurer Malek Visits Stoddard County Sheltered Workshop, Highlights MO ABLE Program

Missouri State Treasurer Vivek Malek visited Stoddard County Sheltered Workshop this morning to highlight the resources and opportunities available for individuals with disabilities. Stoddard County Sheltered Workshop is one of 89 workshop corporations located around the state of Missouri, which collectively provide employment for approximately 6,100 people with disabilities.

"I am pleased that Mr. Malek chose the Stoddard County Sheltered Workshop to visit and tour," commented Devin Miller, Executive Director of the Workshop. "These people are like family and really enjoy coming to work each and every day. They are very proud of what we do here and I just think they are great!"

During the visit, Treasurer Malek shared information about the MO ABLE program: "Achieving financial independence is a goal that *all* Missourians deserve to strive for. MO ABLE can help people with disabilities achieve this goal by saving money on qualified expenses, growing their savings through investments while preserving eligibility for the benefits they rely on every day."

Through MO ABLE, eligible Missourians with disabilities have the opportunity to open an investment account and save money without losing eligibility for other benefits, such as Medicaid or Supplemental Security Income (SSI). Money from MO ABLE accounts may be spent for qualified expenses, including basic living costs, housing, transportation, employment training, education, health and wellness, and financial management. Earnings from these accounts are not subject to federal and state income tax when spent on qualified expenses.

In recognition of National Developmental Disabilities Awareness Month, Treasurer Malek continues a month-long effort to promote the MO ABLE program. He is visiting sheltered workshops across Missouri, and attended the Special Olympics "State Indoor games" in Saint Louis this past Saturday.

For more information about the MO ABLE program, please visit moable.com or contact (800) 439-1653. To learn more about Missouri's sheltered workshops, visit moworkshops.org or contact the Missouri Department of Elementary & Secondary Education (DESE) at dese.mo.gov.
