Stoddard County Commission Meeting - Monday, August 15, 2024

The Stoddard County Commission opened the meeting with the Pledge of Allegiance and a prayer by Mr. Greg Mathis, Presiding Commissioner. He thanked the poll workers during the election as well as all the candidates who put their names in as well as those elected.

Mary Ann Williamson Letter

Mathis passed out a letter received from Mary Ann Williamson of Williamson Family Farms. She stated that she had a very positive experience that she had with the EMA Director, Beau Bishop, during a very difficult time that many Stoddard Countians faced on the May 26th with the tornado damage. Their farm in Essex took a direct hit from the tornado that Sunday morning. The tree and debris situation was overwhelming. She reached out to Beau, who responded by coming to the farm to discuss with her what to expect in terms of help, timeframes, etc. Beau coordinated with a volunteer church group from Cape Girardeau to come out and assist them. They successfully removed a tree from a building as well as cleaned up as much debris as possible. The group was professional and very supportive in attitude. Beau was present during their work and she appreciated the hands-on attitude he displayed. Special thanks to Beau Bishop for all his help during this time.

Katelyn Lambert, Bootheel Regional Planning Commission

"The small business administration is available along side FEMA," stated Lambert. "We had a lot of the public come in on Friday. They have also been going out to the people's homes to let them know they are available in the gym at the Bootheel Regional Planning Commission if any one has questions or needs assistance due to the tornado damage."

ARPA Funds Update:

"I have contacted just about everyone on the list of open projects," stated Lambert. "Here are a few items that are still out to be addressed."

Water District #6 needs to replace their meters and need \$150,000 though there is not that much left in the ARPA Funds. I am just letting you know and we are looking at other grants as well.

Stoddard County received \$5,637,766.00. By putting this money into money market accounts they have accumulated \$249,257.73 in interest.

"We need to get Beau in here and nail down the money distributed to the Townships for gravel that was washed away in May," stated Mathis.

Election Information

Election turn-out is usually about 30-35 % for the primary which is about the norm in Stoddard County. 6,078 total voters casted their ballots.

"We hope to have everything certified today as we have had folks out of the office," commented Weeks.

Mathis questioned about people not being allowed to vote because they have become an invective voter because their mail was returned. According to Weeks there were only two county wide with that issue.

Blue Provisional Ballot - If you do not have a photo ID you can vote Blue Provision Ballots. Then the resolution judges will verify signatures in order for the vote to count.

Yellow Provisional Ballot - Not in the voter registration system, the poll judge can't find their name. Legitimate reason to remove is that you didn't vote in two general elections. There was only 6 yellow provisions ballots cast in the county.

Inactive Voter - Election mail will not be forwarded as it is the law. If they have moved or canceled their P.O. Box their mail will be returned to the Clerk's office. They have to keep their address up-to-date. If they don't they will not be able to vote and the polls, but will have to come to the Clerk's office and update their address.

Commissioner Carol Jarrell and Statement About the Election

Commissioner Carol Jarrell thanked her Lord and Savior for giving her a good 16 years as a Commissioner for Stoddard County. She thanked her family for standing beside her and supporting her.

"I want to thank the voters for 16 years of faith and trust," commented Jarrell. "I congratulate Mr. Wes Howard and feel he will serve the county well. It has been such a privilege working with all the elected officials and employees. We have a very strong county and proud and passionate about this county. You, Greg, are the best presiding commissioner I have worked with and you serve the county well. It doesn't matter what color hat you wear. It's been an honor to get to know your handiwork along side of you, referring to C.D. Stewart. You are a great commissioner of your district. Thank you Mr. Smith and Miss Dee for your continued coverage of our government. God closes one door, but opens another and I just appreciate all of you and thank you very much."

US Small Business Association -

Declaration in the State and the county has been included, FEMA and Small Business Administration. FEMA is short term and SBA long term and offers loans...two types of loans property damage and economic disaster loan for small business for any expenses they may have like payroll, water, etc.

Deadlines - September 23rd for physical damages.

Make sure that people are aware of these deadlines.

Re-bid the Property Insurance

"I know the gentleman from Higgenbottom came in and introduced himself. I am assuming if we choose to bid this out we would do a bid to place in the newspapers." commented Mathis.

Weeks stated that there were only about three insurances that would cover counties with county jails. At least that is what he had heard.

"We will put this on next week's Agenda to discuss placing a bid for either insurance for property or brokers," commented Mathis.
