General Surgeon Join the Medical Staff at Poplar Bluff Regional Medical Center

General Surgeon Emad Amirhom, M.D. has joined the medical staff of Poplar Bluff Regional Medical Center.

"Helping patients overcome diseases, and in some cases, curing them of cancer through surgery, is my true passion." Dr. Amirhom said. "I am eager to collaborate with the medical team to ensure that my patients receive the highest level of care. Building a strong doctor-patient relationship is essential to their well-being and is critical in the healing process."

Dr. Amirhom graduated from the Faculty of Medicine at Cairo University in Cairo, Egypt. He completed a Surgical Oncology Residency with the National Cancer Institute at Cairo University and a General Surgery Residency at Bronx Health System in Bronx, New York. Dr. Amirhom also practiced as a General Practitioner with the Ministry of Health in Cairo, Egypt.

Dr. Amirhom will join the practice of Regional Physician Services. Areas of specialty include open and minimally invasive surgery, including robotic-assisted and laparoscopic surgery. He treats a range of illnesses and injuries, including appendicitis, hernias, gallbladder disease,

breast cancer, colon cancer, thyroid issues, and others.

"Advancements in medical practice and treatment options continue to transform patient care," said Clyde Wood, CEO of Poplar Bluff Regional Medical Center. "We are pleased to welcome Dr. Amirhom to our medical staff as we remain committed to delivering safe, high-quality surgical care to our community."

Dr. Amirhom will maintain office hours from 8 a.m. to 4:30 p.m., Monday through Friday. He is currently accepting new patients. For more information, visit RegionalPhysicianServices.com and click "Providers" or call 573.778.2600.

US 60/62 bridge Over the Mississippi River to Reopen

CAIRO – The Illinois Department of Transportation today announced that the bridge carrying U.S. 60/62 over the Mississippi River in Alexander County and Mississippi County, Mo., will reopen to traffic, weather permitting, by noon on Wednesday, Sept. 25.

The \$5.86 million project, which consists of structural steel repairs, began in October 2023.

Originally anticipated to be completed Oct. 1, the work was finished a week ahead of schedule thanks to favorable weather and repairs going as planned.

Over the [next six years](#), IDOT is planning to improve more than 3,000 miles of highway and nearly 10 million square feet of bridge deck as part of the Rebuild Illinois capital program, which is investing \$33.2 billion into all modes of transportation. [Accomplishments](#) through Year Four of Rebuild Illinois included approximately \$12.1 billion of improvements statewide on 5,339 miles of highway, 533 bridges and 762 additional safety improvements.

eWaste Recycling in Puxico

SEPTEMBER 16TH 2024 BY DEE LOFLIN

eWaste Recycling in Puxico

Do you have a computer, a DVR or a copier you want to get rid of? The Bootheel Solid Waste Management District is sponsoring a recycling day on Thursday, October 10.

People can discard unwanted electronic equipment. The main drop off site is at the Bootheel Regional Planning Commission, 105 E. North Main in Dexter, MO (the old Armory building).

For the City of Puxico, Puxico Mayor Rick McLean has stated that if the citizens of Puxico wish to drop off items to be recycled at Puxico City Hall, the City will transport the items to the recycling site in Dexter.

People may drop off any unwanted equipment at Puxico City Hall the Friday evening, October 4, through Thursday morning, October 10 (until noon).

There will be a trailer placed on the City Hall parking lot for these items. The trailer will be taken to Dexter at noon on October 10. If you have any questions concerning this, please contact City Hall, 573-222-3162.

The following is a list of items that can be dropped off for recycling: computer monitors, servers, desktop PC's, laptops, netbooks, Macs, tablets, keyboards, mice, speakers, modems, routers, cables, software, all components and accessories, printers, copiers, scanners, faxes, ink/toner cartridges, Blu-ray, HD DVD, DVD, laserdisc, VHS, Betamax, DVR's, cable and satellite receivers, digital and film cameras, audio receivers, amplifiers, speakers, MP3 players, CD players, cassette decks, turntables, 8-track, boomboxes, microphones, mixers, rack equipment, and DAW.
